DEATH'S HARVEST.

Mrs. Margaret C. Chaffin.

On last Friday afternoon, February 25, at 1 o'clock, Mrs. Margaret C. Chaffin, after a few days illness from pneumonia, was called from her earthly residence to try the realities of another world. Mrs. Chaffin was 66 years old at the time of her death, and leaves two children—Mrs. Charles A. Parker and Mr. William Chaffin, both of this city—and a number of other relatives. The funeral services were conducted at the First C. P. Church, Sunday afternoon at 2:30 o'clock by Revs. W. A. Provine and F. B. Webb, and the remains were interred in Rose Hill Cemetery.

Early in womanhood Mrs. Chaffin embraced the faith taught in the Scriptures, united with the Cumberland Presbyterian Church, and died in the hope which her religion inspired. As a mother and wife she was devoted and true, and as a friend and neighbor, she was loving and kind. Separated now from all that delighted or tried her on earth, she is gone to that mysterious sphere where duty to God will be done in perfection and the joy of the service will be the heavenly rewards.

"Blessed in the hour of death are the pure at heart! For henceforth, we know, there is laid up for them in Heaven a crown of righteousness."

Mrs. Amanda M. Galloway.

Yesterday morning at 11:30 o'clock, Mrs. Amanda M. Galloway, wife of the late William Galloway, died at her home on South Main street, in the 68th year of her life. Mrs. Galloway had been ill with pneumonia for about two weeks, and for several days before her death her friends and relatives had anxiously awaited the result.

She joined the Presbyterian church in early womanhood, and, all through the varied scenes of her long existence, lived a consecrated christian life, so that when the spark of life which once had burned so brightly, had at last flickered and burned away, there yet remained, refined and purified for His use, an immortal soul ready to meet its God. Mrs. Galloway leaves two children—Mrs. Minnie Towler and Miss Laura Galloway. She was a sister of Mrs. Elizabeth Wilkes, wife of the late Rev. W. H. Wilkes, of Culleoka, and Mrs. Ruth Fleming, deceased, wife of the late Judge W. S. Fleming.

The funeral services will be conducted in the First Presbyterian Church to-day at 3 o'clock by Rev. F. B. Webb, and the remains will be interred in Rose Hill Cemetery.

She Sleeps.

Miss Sallie B. Hill, of Tuscaloosa, Ala., a most lovely and amiable young lady, died at the Athenaeum on Tuesday morning, March 2nd, after a brief illness. Miss Hill, with her sister, had been attending school in Columbia for two years, and had made a large circle of friends in the community by her gracious and ladylike bearing. With her teachers and schoolmates she had always been a dear and gentle favorite, and her death came to them as if she had been a near relative. Mr. H. F. Hill and Miss Lucy Hill, father and sister of the deceased, arrived a few days before her death and were at her bedside when she passed away. Miss Hill's mother and grandmother were educated at the Athenaeum and her family, therefore, have been lifelong friends. Both the school and the bereaved family have our profound sympathy, but her's is a sinless precious rest.

"She has passed through glory's morning gate, And walks in Paradise."

Mr. S. F. Dyer, who had been sick with the grip for about two months, departed this life at his home in the Andrews neighborhood Wednesday morning at 2 o'clock in the 80th year of his age. The funeral services were conducted at Rock Spring Church yesterday morning at 11 o'clock by Revs. W. T. Ussery and Fitzgerald; burial in Rock Spring cemetery. Mr. Dyer leaves a wife and one daughter, Mrs. John Littlejohn. He had been a member of the Baptist Church at Rock Spring for a number of years, and was an upright, christian man.

Mr. E. D. Fitzgerald died at his home on Knob Creek last Sunday, February 28, at the age of 80 years. The funeral services were conducted by Rev. Mr. Gupton at Mt. Zion, and his remains were interred at the family grave-yard. Mr. Fitzgerald had been a member of the church for 60 years. He leaves a number of relatives and friends to mourn his loss.

Mr. William Jarratt, son of Rev. and Mrs. T. C. Jarratt, died at his home near Goshen on the evening of February 22nd, after many weeks suffering from consumption. The funeral services were conducted at the residence by Rev. N. B. Owings, and the remains were interred in Goshen graveyard.

Mr. Hines Stephens, formerly of Maury County, died at his home on Cedar Creek, Hickman county, recently. He was, perhaps, the oldest citizen of that part of the country, being in the 94th or 95th year of his life.

Apple and peach trees, are now offered on the grounds of the Oakland Nurseries, for the next 30 days for 8 cts. a piece; this large stock is of such varieties as suit this climate; are as finely grown and as well rooted as trees can be, but they must all go this spring, and give room for planting more. Fruit trees of all kinds, shade and ornamental trees, small fruits, at the lowest price ever offered to farmers; strawberry plants at 40 cts. per 100. Call and get a catalogue and make your selection, and plant a good orchard this spring; nothing pays better on the farm than good fruit.

NO SCREENS OR CURTAINS.

Another Hit Made at the Saloon Men,

By the Board of Mayor and Aldermen of Columbia.

"Thou shalt not take thy toddy behind screens or curtains or anything that will obstruct the view of the public; but, when thou goest into a saloon for the purpose of procuring and drinking intoxicating liquors, thou shalt do so in the full glare of the eyes of the public."

Thus did the proclamation go forth from the Honorable Board of Mayor and Aldermen of the city of Columbia, in regular session assembled last Friday night, and thus shall it be.

There were six Aldermen, together with the Mayor, in attendance at the meeting, the two absent members being Messrs. Figuers and Cameron. Mr. Figuers had gone off on a fishing trip and Mr. Cameron was confined to his bed with sickness.

The spirit of reform was present in the hearts of the members of the Board, and another stinging blow was dealt the whisky sellers. The full text of the ordinance referred to is as follows:

"An ordinance to further regulate the sale of intoxicating liquors within the city of Columbia, Tenn.: "SECTION 1. Be it ordained by the Board of Mayor and Aldermen of the City of Columbia, Tenn., that all saloons, barrooms, wine-rooms and other places where spirituous, vinous or malt or other intoxicating liquors are sold to be drunk upon the premises, shall be located in the front room on the ground floor of the building in which the same is located.

"SECTION 2. Be it further ordained, that no owner or proprietor of such establishment shall allow any screens, curtains, stain glass or any other thing which will obstruct the vision from the front entrance of such establishment to be placed or remain in said building in such position as will obstruct the view from the front entrance thereof.

"SECTION 3. Be it further ordained, that any person, firm or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor for each day so violating the provisions herein, and upon conviction thereof shall be fined not less than \$25 nor more than \$50.

"SECTION 4. Be it further ordained, that this ordinance take effect on and after April 1, 1897, the welfare of the city requiring it.

"Passed and approved Feb. 26, 1897.

"A. J. NICHOLS, Mayor.

"Attest: E. E. ERWIN, Recorder."

Every member of the Board present voted in favor of the ordinance, although when first presented two or three of the gentlemen wanted it carried over for further consideration until the next regular meeting. The light question also came up for consideration, but nothing of importance was transacted. The committee were ordered to canvass the town, and, if 800 incandescents lamps could be placed—enough to pay the expenses necessary to run a plant—the Board would recommend the purchase of a plant. If, however, they could not place a sufficient number of incandescents, the Board would in no wise recommend the purchasing of a plant. The committee will make the canvass this week.

On motion it was ordered that the Mayor and City Attorney take counsel on the necessary steps to forfeit the franchise and contract of the city with the Columbia Water Company. The reason for this action is, that the Water Company have not, in the opinion of the Board—been living up to the terms specified in their contract.

Some other business of minor importance was also transacted. The Chairman of the Street Committee asked for an appropriation of \$350—\$150 to pay for the team recently purchased, and the balance for street work.

The Chairman of the Charity Committee was given an appropriation of \$50.

If he would stuff his game he could have a first-class country menagerie in a short time.

A Flood of Light. The Columbia Water & Light Company have finished putting in electric lights at the Arsenal, and they were turned on Monday night for the first time. There are two 1,500 candle power arc lamps and about fifty incandescents scattered over the grounds and in the buildings. The fountains are lighted with colored lamps, which make the grounds very attractive and beautiful at night. The wires are run on neat and handsome iron poles, which were designed by Major Greer and constructed at the Arsenal.

RIOT AT KNOXVILLE.

The Fire Department Called Out to Disperse It.

KNOXVILLE, March 1.—A serious street riot occurred here this morning, resulting in the fatal injury of Will Arnold, a colored laborer, the serious injury of Chief McIntosh, of the fire department, and the painful injury of a dozen citizens.

The trouble came up over the fight between rival street car companies trying to occupy the same street. The Citizens' Railway Company, backed by W. G. McAdoo and W. W. Harrison, of Philadelphia, attempted to lay a piece of track this morning in violation of the city ordinance preventing streets being dug up during winter months. The city officials resisted, and had the police arrest the laborers. In turn the sheriff arrested the police force and all the city officials. The fire department was called out, and by throwing water, they stopped the work.

A negro struck Chief McIntosh, whereupon Lieut. Hood, of the police department, shot the negro.
